

# What does it mean to be Room-Parent Communicator?

- The Communicator's role is to initiate contact between all the room-parents in the grade (ie. create the Whatsapp group or email chain)
  - They will be in contact with the Volunteer Coordinator (i.e. Rashida) to pass along messages to all room-parents in the grade
  - They will also be in contact with the Lead Teacher for their Grade to pass along any necessary messages
- 
- Please note, it is NOT the Communicator's responsibility to plan class parties and take on the brunt of the work for parties. This is the shared responsibility of ALL room-parents and a key part of the room-parent role.
